SHIPPING POLICY

Please note:

We will ship your product when it is at its peak of ripeness, which is impossible to predict due to weather conditions and variations. Typical harvest is July and August.

Orders can only be sent to one address. If you need to send fruit to multiple addresses, please complete one order for each destination.

Orders must be placed Mon., Tues., Wed., before 12 noon PST and they will be shipped *normally* within two days. Orders are filled based on fruit ripeness.

We reserve the right to hold orders due to weather conditions both at the point of origin as well as end of origin to preserve the quality of our product.

Items will not be shipped C.O.D.

Shipping Destinations:

Dry Creek Peach ships to physical addresses in the Continental United States and Hawaii ONLY. We are unable to ship outside the United States at this time due to customs regulations and agricultural holds. A street address is required, as orders cannot be delivered to P.O. Boxes.

Each order may only have one "ship to" address. If you require multiple "ship to" addresses, please order separately for each address. All shipments will be left at the door. Please arrange to be home or have your box left with someone particularly if you live in an apartment or condominium.

Shipping Origin:

Shipping charges are configured using the federal express shipping calculator with Dry Creek Peach in Healdsburg, California, as the shipping point of origin.
